

Revival-God's Way

Where is the hope for revival?
God's Holy Spirit outpoured
Convincing of sin, and of judgment,
And righteousness of the Lord?

When nothing else is important-
Only God's presence Divine,
When Christians quit worldly pleasures,
Then God, His ear will incline.

Desperate prayer for revival
Will cleanse the church by the Word
Then cloth in spotless, white linen,
The Bride clears the way for the Lord.

Prayer is the key to revival
Prayer that is spirit born
Nights of compassion weeping
Intercession for the forlorn.

Then will the burdens be lifted
Then all the sinners will cry,
Then all the chains will be loosened
And worldly passions will die.

The lost ones will yield to God's spirit
When Christians, cleansed, weep, and pray
God's Living water flows outpoured;

This is "*Revival -God's Way*"!
